President's Letter
April 2022

Dear Members,

This year we celebrate our 25th Anniversary as a non-profit organization dedicated to preserving the history of our Czech ancestors who immigrated to Texas. It is with great pleasure that I announce this milestone in the history of The Texas Czech Heritage and Cultural Center (TCHCC). We began in a one-room office in 1997 and then moved to the Kalich House in 2001 that was restored by volunteers. It became a Visitors Center, Office, and Gift Shop. In 2009, we moved into the Main Building. Now we have a large campus with the Main Building that includes a museum exhibit hall, library, gift shop and banquet hall. Surrounding the Main Building is the Czech Village. It has restored vintage buildings with displays of artifacts owned and used by our early ancestors.

It all came about when members of Czech-founded organizations, Texans of Czech Ancestry (TOCA), met to address a common concern that Czech history and language may soon be forgotten. In 1995, the call for this meeting was initiated by the Czech Heritage Society of Texas. Czech traditions were no longer practiced because many had moved away from the close-knit Czech communities and thereby lost contact with parents and grandparents. Texans of Czech Ancestry (TOCA) voted to support the project of developing a state-wide Czech Center to preserve and promote Czech Heritage. The project was named and incorporated as the Texas Czech Heritage and Cultural Center on March 24, 1997.

As part of our 25th Anniversary Celebration on May 15, 2022, we invited the Czech organizations of TOCA to set up a display on the front lawn during Slavnost (May Fest). This gave each organization an opportunity to share the ways each one preserves Czech history and culture. We are grateful to the members of these organizations for their support.

We are also grateful to volunteers and board members, whose enthusiasm, support and dedication made TCHCC a loving tribute to our Czech ancestors. Some of our volunteers have been with us since our beginning. We thank them and all of our supporters who helped us over these many years.

Děkujeme,
Retta Slavik Chandler

We Thank RVOS for their annual donation of \$5000.00 that was presented to TCHCC Board Members at the TOCA Awards Dinner. Benjamin and Doris Sykora Koliba

Benjamin Koliba supported the development of TCHCC since the beginning. In 2006 during Christmas Open House, Ben and his wife Doris presented TCHCC with a generous donation, which funded the Koliba Lobby in the Main Building. This was a tremendous boost to all our volunteers to support the project. They both volunteered at our events each year.

In 2010 an agreement between Benjamin and TCHCC was made to underwrite the construction of a chapel at TCHCC. This chapel (Chapel of Mary Magdalene) will be a replica of the chapel in Mnisi, Czech Republic and was the one where Ben's grandparents lived. Ben traveled to the Czech Republic several times to make sure that the replica would be as close to the original as possible. It is beautiful and almost finished and we are looking forward to its opening and dedication. However, no date has been set.

Ben is a quiet person and had to be quizzed prodded, and pleaded to get him to tell about his life's work. Ben worked faithfully at each task or job that he pursued and he always learned the details of that job. He was an airline pilot that could fly any craft with wings. Ben spent most of his life as an airline pilot with more than 23,000 logged miles and worked for Continental Airlines for 29 years.

Ben was born in Corpus Christi, Neches County, Texas to parents: Edmond and Julia Koliba and now lives in Cuero, Texas. He was drafted in the Army at age 21-Stationed at Ft. Hood and Germany (2nd Armored Division), he studied auto mechanics at Del Mar College. His first job was as a civilian flight instructor for the Air Force. He holds numerous flight licenses including private pilot, commercial pilot, Airplane Single Engine Land, Multi-Engine Land, Flight Instructor, flight instructor multi-engine instrument, and Airline Transport Rating. Ben owned and operated an automotive machine shop, an automotive automatic transmission shop, a radiator repair and maintenance shop, and a Ranch Dozer Service.

He married Doris Sykora Koliba on July 21, 2001. They spend their time volunteering and living on Ben's ranch in Cuero, Texas. Doris passed away on February 14, 2018.

TEXAS BLACKSMITHING CONFERENCE AND HUME L. BAKER TEXAS ANTIQUE GAS ENGINE REUNION

The Texas Blacksmithing Conference and The Hume L. Baker Texas Antique Gas Engine Reunion was held on the grounds of TCHCC on January 28 and 29, 2022. Sponsors included: the City of La Grange, TCHCC, Texas Trio Blacksmiths, South Texas Wheel Spinners & Crank Twisters Club, Oviedo Auto Group of La Grange, Pearland Lumber, Andrew J. Sehnal in Memory of Bohuslav Kocourek, McCoy's Lawn Equipment of Austin, TK Land & Cattle of Corpus Christi, Kathy Havran In Memory of Victor Ray Havran, Norman Smoot, and Tim Blacksmith. Blacksmithing classes began on Wednesday and ran through Friday with full classes all three days. Students for the classes came from all over Texas and from out-of-state. Presenters and teachers also traveled from across Texas and other states to take part in this educational and historical preservation event. Some presenters were from the television show “Forged in Fire”.

THE ANNUAL VALENTINE CONCERT AND DINNER

The Annual Concert and Dinner was held in the Hanslik Hall on February 12, 2022. Professor John Dujska performed on the Zimmermann Baby Grand Piano donated to TCHCC by the George Hetherington Family. Accompanying him on a few songs was Alfred Vrazel singing along. The meal was catered by Celebration Events & Catering and featured local Texas wines.

ORPHAN TRAIN IN BURLESON COUNTY

The Depot in Deanville, Texas was restored to as close as possible to the original depot. The depot had been moved from the original site decades ago, and the current land-owner did not want it on the property, so he was willing to donate it back to the community. It was in bad shape but was structurally sound and did not look anything like a depot. An Historical Association was formed. Land was donated and fund raisers were held. It has been beautifully restored, and the grand opening was held on April 30th. In addition, the committee decided to honor the 14 known Orphan Train Riders who came to Burleson County. A statue was purchased to represent each rider.

*We thank Beverly Blinks and Angelina Kretzschmar for the information and photo.

MORAVIAN GLORY, *Preserving Our Brilliance* EXHIBIT AT TCHCC

TCHCC has displayed a Museum exhibit showing life in Moravia that describes the specific destiny of a woman, great-grandmother Maryška, from Charvátská Nová Ves. Her life is told in pictures through the backdrop of the four seasons that were used to tell the four phases of life: Childhood, Youth, Adulthood, and Old Age. Her life is arranged on 21 panels that visitors were able to read in order to get an idea of the joys and struggles of her life. The customs and traditions of the seasons are associated with Maryška's destiny including historical moments such as World Wars, political changes, and lifestyle changes of the 20th century. Woven throughout the panels are authentic period materials, recipes, stylized photographs and graphics.

The exhibit was composed by the Moravian Glory Foundation from Atlanta, Georgia, which supports its sister foundation in the Czech Republic by project management assistance services in Czech American Communities and also with fundraising activities.

The exhibit opened on January 14th and closed on May 15, 2022 and is now on its way to other cities in the U.S. where many more people can enjoy the story. Over 200 visitors have traveled through the seasons of Maryška's life at TCHCC. Below are a few pictures of recent visitors. There were many other familiar faces as well with Czech-funded organizations represented.

The afternoon festivities included food and drinks along with entertainment by the Hartmann Traditional Band, the Chris Rybak Band, and the West Junior Historian Dancers among others. The Brewery built the complex on the site of an old train depot on 8th Street in Waco. The complex includes a brewery, a bakery, a restaurant, and a hotel.
